**OTHER BUSINESS**

**JULY 6, TOWN BOARD MEETING CANCELLED**

Noting that the next Board meeting is scheduled for the week of Independence Day, when some Board members and Senior staff will be away, the Supervisor moved to cancel the Town Board meeting scheduled for July 6, 2023, thereby consolidating Board proceedings for July into one meeting to be held on Tuesday, July 18. It was seconded by Councilmember Taylor and voted on by members as follows: Ayes: Koshykar, Munzinger, Taylor, and Smith. Nays: none. Absent: Townsend.

The Resolution was declared carried as follows:

## Minutes of the Town Board for June 20, 2023

**RESOLVED**, that the Town Board meeting scheduled for July 6, 2023 be, and hereby is, canceled.

Supervisor Smith also commented that one of the August board meetings will need to be rescheduled due to likely lack of a quorum. He recommended that the Board discuss a rescheduling at its next meeting, when all Board members will be present.

Deputy Supervisor Munzinger inquired about the cost for installing secured and weatherproofed AEDs at all the Town Parks. Commissioner Schenkel stated the estimates were around twenty-five thousand dollars. Discussion followed, focusing on where AEDs should be placed and whether ARPA funds could be used to fund the project. Discussion will continue at the next meeting.

Councilmember Koshykar asked if there had been any updates on proposed development of an apartment complex at the corner of Clover and Jefferson in the time since the developers withdrew their application. The Supervisor shared his understanding that that the developers would be discussing with Cloverwood, owner of the property, a possible revised project closer to what the Board approved for the site several years ago. Councilmember Koshykar recommended that, if another development project is proposed for the site, the Town be involved in notifying neighbors and the public about hearings or information sessions, to assure adequate outreach, which seemed to be lacking when done for the withdrawn proposal.

### **PUBLIC COMMENTS**

There were no comments.

With no further business, the meeting adjourned at 6:17 p.m.

# MEMORANDUM

To: Town Board Members

From: Robert B. Koegel

Date: July 13, 2023

Regarding: Local Law #1 of 2023 (Tax Cap Override 2024)

For Meeting On: July 18, 2023

Ladies and Gentleman:

The Town has been highly successful with its Refuse District program. Like other Special Districts such as Lighting Districts and Park Districts, all are created by vote of the Town Board. If the Town Board approves all of the new Refuse Districts and Refuse District extensions that have qualified, these new districts alone – without any increase in tax – will push the Town over the Tax Cap, requiring the Town to override the 2% tax cap for next year.

This occurs because, under the State tax cap law, district fees must be counted as part of the tax levy and the tax cap applies to the levy.

Because of this, at its meeting on June 6, 2023, the Town Board received proposed Local Law #1 of 2023, which would authorize a budget for 2024 in excess of the Tax Levy Limit. A Public Hearing on the proposed Local Law was held on July 18, 2023.

A draft Adoption Resolution is attached, together with the proposed Local Law.

In the event that the Board determines that action should be taken on the proposed Local Law, I suggest the following Resolution motion:

**I move the adoption of Local Law #1 of 2023, authorizing a budget for 2024 in excess of the Tax Levy Limit, as set forth in the proposed written Adoption Resolution.**

At a Regular Meeting of the Town Board of the Town of Pittsford, New York, held at the Town Hall, 11 South Main Street, Pittsford, New York, on the 18th day of July, 2023.

**WHEREAS**, due proof of publication and posting of the Notice of said hearing has been duly filed with the Clerk of the said Town Board; and

**WHEREAS**, the hearing required by the said Order has been duly held, and it appears from the said Petitions that the creation of the Refuse District does not require any expenditure of money for the construction or acquisition of the improvement therein, and does not require the financing of the cost thereof by the issuance of any bonds, notes, certificates of any indebtedness of said Town; and

**WHEREAS**, the creation of this Refuse District, which changes the means of payment for residential refuse collection and disposal from individual private contract decisions to collective public bidding and contract award, does not change the use, appearance or condition of any natural resource or structure, and hence is not an “action” subject to SEQRA under 6 NYCRR § 617.2 (b)(i); and

# MEMORANDUM

To: Pittsford Town Board

From: Paul Schenkel - Commissioner of Public Works

Date: July 13, 2023

Regarding: Buffalo Bills Training Camp Parking Regulations

For Meeting On: July 18, 2023

Ladies and Gentlemen:

Once again, this year St. John Fisher University will host the Buffalo Bills Football Training Camp. It will run from July 26<sup>th</sup> through August 10<sup>th</sup>.

Each year previously the Town Board has restricted on-street parking on certain residential streets near St. John Fisher, for the duration of the training camp. Such action by the Town is authorized by Section 1660 of the State Vehicle and Traffic Law. It is necessary in order to assure that emergency and law enforcement vehicles have unimpeded access to the streets involved.

The proposal for this year represents no change whatsoever from arrangements imposed in previous years. Specifically:

- **The Town will provide to residents on affected streets who need on-street parking for contractors, relatives, social gatherings or other reasons, as many on-street parking permits as they need;**
- **Parking on lawns is permitted. Residents of affected streets may use their lawns for car parking, for as many cars as they can fit.** They may not park on sidewalks and must use the driveway. We request that they do not park on the sides of the house or in the back, out of consideration for neighbors.
- **There will be no restrictions on traffic to or through any of the affected streets or any others.**

The Town will provide written detailed notice to residents of all affected streets describing these regulations. The form of written notice is attached to this memo.

For purposes of reasonable on-street parking regulation during this year's Buffalo Bills Training Camp, the following resolutions would be in order:

**RESOLVED** that from July 26, 2023 through August 10, 2023, from 7:00 A.M. through 10:00 P.M., each day, parking, stopping or standing is prohibited on the following named streets, unless pursuant to a permit issued by the Town:

Allen Parkway  
Alpine Drive  
Bretton Woods Drive

Crestline Road  
Ellingwood Drive (Overbrook Road to East Avenue)  
Harwood Lane  
Kilbourn Road (East Avenue to 450 Kilbourn Road)  
Lochnavar Parkway  
Overbrook Road (Ellingwood to 450 Kilbourn Road)  
Shelwood Drive  
Sylvania Road  
Wayside Circle; and be it

**FURTHER RESOLVED** that, should it prove necessary or desirable for purposes of public safety or health, the Supervisor or his designee be and hereby are authorized to prohibiting parking, stopping or standing from July 26, 2023 through August 10, 2023, from 7:00 A.M. through 10:00 P.M. each day on the following additional streets unless pursuant to a permit issued by the Town:

Country Club Drive  
Ellingwood Drive (portion not covered by previous resolution)  
Kilbourn Road (portion not covered by previous resolution)  
Maywood Avenue  
N. Country Club Drive  
Overbrook Road (portion not covered by previous resolution)  
Pine Acres  
San Rafael  
Stoneleigh Court; and be it

**FURTHER RESOLVED**, that these restrictions will be enforceable upon the proper and adequate posting of signs on all of these streets herein designated to give notice to all motorists using any of the said streets that parking, stopping or standing is prohibited on that side of the said streets so designated by the said signs; and be it

**FURTHER RESOLVED**, that any vehicle parked in violation of this resolution may be towed at the owner's expense; and be it

**FURTHER RESOLVED**, that a violation of this resolution shall constitute an offense and shall be punished by fine not to exceed Twenty-five Dollars (\$25.00); and be it

**FURTHER RESOLVED**, that the Town Clerk or her designee be and hereby are authorized and directed to issue to residents on streets affected by the foregoing resolutions who need on-street parking for contractors, relatives, social gatherings or other reasons from July 26, 2023 through August 10, 2023, as many on-street parking permits as they need; and be it

**FURTHER RESOLVED**, that from July 26, 2023 through August 10, 2023, parking of vehicles on residential front lawns on streets affected by the foregoing resolutions and on any Town streets be and hereby is permitted, provided that all vehicles enter any lawn by the property owner's driveway and that no vehicle may be parked on a sidewalk; and be it

**FURTHER RESOLVED**, that from July 26, 2023 through August 10, 2023 none of the streets affected by the foregoing resolutions may be closed to traffic, except to the extent that any street may be closed temporarily for an immediate emergency such as a fire or motor vehicle accident.

Dear Resident:

This year Pittsford will host once again the Buffalo Bills Training Camp at St. John Fisher University. Camp will run from July 26<sup>th</sup> through August 10<sup>th</sup>. The same parking restrictions put into place every previous year will apply during the Training Camp. ***There will be no changes from previous years or new restrictions on parking or traffic.***

You'll find attached the list of streets subject to parking restrictions during the Training Camp and you'll see that your street is among them. These streets will be posted for no parking. The parking restriction is necessary to assure that emergency vehicles can reach your house and to avoid your street becoming choked with cars parked on each side.

Of course, life goes on during the event and if you need on-street parking for contractors, relatives, social gatherings or other reasons, the Town will issue you as many parking permits as you need. For on-street parking permits please call 248-6250.

**On every street you may use your lawn for car parking, for as many cars as you can fit. There will be no restrictions on traffic to or through any street.** Out of courtesy to your neighbors, the Town requests that you do not park cars in the side or rear setbacks of your property.

You should know also that, as in previous years, the Town will not issue Vendor Permits for any of the listed streets for July 26<sup>th</sup> through August 10<sup>th</sup>. This affects commercial sales only, such as, for example, sales of new football jerseys, helmets, car stickers or other commercial merchandise. There will be no restriction on garage sales of household items, estate sales, lemonade stands or similar sales.

We have worked carefully to minimize disruption to you and your neighborhood during the Training Camp. For questions or concerns before or during the event you can contact the Town Staff members whose names and phone numbers appear on the attached sheet.

Very truly yours,

Paul M. Schenkel  
Commissioner of Public Works
