Town of Pittsford Community Report

spring/summer 2006

Town Supervisor's spring report

On May 2, the Town Board and I presented the Citizen of the Year award to Andrew Meloni and Cindy Kellogg. These are two fine individuals that the Pittsford community has benefited from. As we all know, Andy Meloni served as Monroe County Sheriff for many years. He is recognized for the professionalism and innovation he brought to the office.

Cindy Kellogg is recognized for the work she's done with the youth of this community through the YMCA swim programs. Judging by the nominations that came in for Cindy, it's obvious that she had a very positive influence on a lot of people. Her guidance has clearly helped elevate the Pittsford high school swim teams to an elite status in Monroe County and New York State.

Summer is almost upon us and we will begin another active year of events and concerts. The Memorial Day parade is one of the best in the Rochester area. We have added yet another band to the lineup and look forward to seeing you along the parade route.

Our street dances, Positively Pittsford and Pittsford Celebrates, will be held again this year. Both are Saturday events and both will be held in the parking lot behind the Library instead of South Main Street. We had a lot of positive feedback from residents about last year's Pittsford Celebrates. People feel that the new venue is more conducive to our events.

The Buffalo Bills pep rally will be held at the end of July. A new event called Discover Pittsford will make its debut on Thursday evening, August 17.

The Family Halloween Fest in October is always a big hit and we will once again partner with the Pittsford Village Business Association and the Village of Pittsford to bring Candlelight Night to the community in December.

If that isn't enough, we have once again organized a summer concert series in the Port of Pittsford Park at 22 North Main Street. The concerts will begin on Friday, June 9, and run through August 11. We've planned a variety of musical performances - jazz, country, party hits, pops, big band - that should appeal to a broad range of

people. Bring a folding chair or a blanket and enjoy a summer evening by the canal. Bring your appetite, too! Jonny's Village Hots and Cold Stone Creamery will be in the park with a nice selection of picnic food.

Hope you have a great summer and hope to see you at one of our 2006 Town of Pittsford community events!

Bill Carpenter
Supervisor

Town events

We love a parade!

The town's annual Memorial Day parade will step off promptly at 10AM on Monday, May 29. This year's line-up is bigger and better than ever, headlined by the Crusaders and Empire Statesmen drum and bugle corps and Prime Time Brass, an exciting addition to the 2006 line-up. Also appearing are the Pittsford Firemen's Band, the Marchmasters and Pittsford Schools marching band.

Veterans from the eras of WWII, Korea, Vietnam and the war in Iraq will lead off the parade, followed by Monroe County Executive Maggie Brooks who will serve as 2006 Grand Marshal and deliver the keynote address during the Memorial Ceremony.

Look for local marching units, too. Community leaders, elected officials, Pittsford fire and ambulance corps, scouting troops and town and village municipal services will participate.

The parade will form on Sutherland Street and proceed to W. Jefferson Road to Main Street to the Pittsford Cemetery.

Please join us at the Soldiers Plot for a Memorial Ceremony organized by the Rayson Miller American Legion Post 899. The Legion will host an Open House at their Post home, 21 N. Main Street, following the ceremony.

The town's annual observance of Memorial Day includes a parade through the village.

Supervisor Bill Carpenter and Mayor Bob Corby place the Wreath for All Veterans at the Soldiers Plot in the Pittsford Cemetery.

Yard debris recycling tip

Please be aware that compost sites do not accept plastic bags. To ensure pickup, please place leaves, grass and weeds in paper bags or reusable containers (not to exceed 50 lbs.). Leaf & wood mulch

The town's Highway Department recycles yard debris in the form of leaf and wood mulch and provides it free of charge to Pittsford residents. The supply of mulch is located at our East Street location, adjacent to the Little League fields and the town's Parks facility. Levels are monitored regularly and replenished as needed. Availability is on a first come/first served basis.
