

A Message from the Town Supervisor

Dear Resident,

The early spring-like weather has no doubt inspired many of you to start thinking about yard work; Town crews are already preparing for the season and soon will begin collecting yard debris in your neighborhood.

We strive to ensure this program is as convenient as possible for you. To help you determine your pickup day, we've created a new online interactive [Yard Debris Collection Day Street Map](#). Find it under the

“Services” tab of the Town website at www.townofpittsford.org. Here you'll also find guidelines and information about our Yard Debris services.

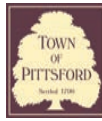

Once leaf collection season begins in mid-October you can plan ahead by using our online **Leaf App**, also under the website's “Services” tab. It offers a live link that shows where crews are picking up leaves at that moment and where they'll be going next.

Our continuous efforts to improve require your comments and advice about Town services. Should you have advice or questions, please contact me at the number shown below. My best wishes to you all for a most enjoyable spring and summer!

Sincerely,

Bill Smith

Yard Debris & Leaf Collection

2017 Spring - Summer - Fall

Guidelines and Schedule

- **Early Spring Cleanup**
April 3 – April 27
- **Bagged & Containerized Collection**
April 24 – November 16
- **Loose Brush & Branch Collection**
May 1 – October 12
- **Leaf Collection**
October 16 – December 1

Phone: (585) 248-6270 • Office Hours: 7AM – 3:30PM

GENERAL GUIDELINES

- There will be no collection on Memorial Day, Labor Day and Thanksgiving Day. Schedules will shift by one day following the holiday.
- Yard debris must be out by 6AM on your scheduled day to ensure proper collection.
- If you live on a private drive, please take materials to the nearest public street.
- Our schedule may vary slightly due to weather conditions and volume of debris. We appreciate your patience.
- Yard debris generated by anyone other than the homeowner must be removed as part of their service. This material may be taken to Pittsford's Highway Department, 60 Golf Avenue, weekdays from 7AM to 3:30PM.
- Please place yard debris *behind* the curb or gutter to avoid impeding traffic and blocking drainage pathways in your neighborhood.

Early Spring Cleanup: April 3 – April 27

Loose piles of leaves, thatch, brush, branches and yard debris will be collected. Please note crews will pick up both loose debris and/or containerized debris during this time. **See map for your weekly pickup day.**

Bagged/Containerized: April 24 – November 16

- Please use paper bags or reusable containers. Composting sites do not accept plastic bags.
- Grass clippings, weeds, ivy, vines and smaller yard debris must be placed in a container or paper bag.
- Total container weight, including yard debris, must be 50 pounds or less per container.
- Cuttings must be less than 3 feet in length and tied in bundles.
- **Please don't include** sod, stumps, rocks, stones, lumber, metal or other waste materials in with debris.
- *All collection will end on your weekly yard debris pickup day (see map).*

Loose Brush and Branches: May 1 – October 12

- Brush and branches may be put in loose piles at the road edge **behind** the curb or gutter.
- Cuttings placed in loose piles must be less than 8 feet in length and less than 8 inches in diameter.
- *See map for your weekly pickup day. All brush and branches must be containerized or bundled beginning the week of October 16.*

Leaf Collection: October 16 – December 1

- Crews will be in your neighborhood approximately every two weeks to collect loose leaf piles; **see the online Leaf Collection App for the real-time schedule.**
- For traffic safety and to avoid drain blockage and flooding, please place leaf piles at the road edge but **behind** the curb or gutter.
- **Please keep yard debris separate from leaves** – it can damage our leaf vacuum and injure our crew members.
- Only yard debris placed in a container or paper bag will continue to be collected on your weekly yard debris pickup day during this time.
- Loose brush will not be picked up during this time.
