*See listings below for  
Upcoming Activities, Town Board Meetings & Community Meetings*

Happy St. Patrick's Day!

## **ZONING CODE UPDATE – SHARE YOUR COMMENTS VIA OUR ONLINE MAPPING TOOL**

Our Zoning Code Update is the next step following on from the Town's adoption of its updated Comprehensive Plan. We encourage all Town of Pittsford stakeholders (residents, business and property owners, community leaders, and taxpayers) to participate in the update. Substantial input and feedback from a broad range of our community members is essential to ensure the updated Zoning Code reflects the community's development preferences and future vision.

Our recent Zoning Code Update workshop introduced our **online interactive mapping tool**, which allows you to give us your thoughts about how and where to implement zoning changes that will best meet the needs defined in our Comprehensive Plan and Active Transportation Plan. **Comments will be taken via the mapping tool through April 25.** You can find the mapping tool, as well as our Comprehensive Plan, our Active Transportation Plan, a link to our current Zoning Code, the project timeline, and other informational materials, on the **Zoning Code Update website** at [www.townofpittsford.org/zoningupdate](http://www.townofpittsford.org/zoningupdate). Comments can also be submitted to [zoningupdate@townofpittsford.org](mailto:zoningupdate@townofpittsford.org) or mailed to Doug DeRue, Town of Pittsford, 11 South Main Street, Pittsford, NY 14534; please indicate whether you are a Town or Village resident.

If you missed our first online Zoning Code Update Workshop, you can [view it here](#). This link also can be found on the Zoning Code Update website. Additional public input events – including an opportunity to provide direct feedback on the

proposed Zoning Code and Map updates – will be offered later on in the project timeline. Check [www.townofpittsford.org/zoningupdate](http://www.townofpittsford.org/zoningupdate) for further updates and information. The contents of the project webpage will be updated as the Zoning Code Update progresses.

## **“THE TINY SEED” STORY WALK UNDERWAY** *Display will be up at Community Center through this Saturday, 3/20*

The time is right for a nature story come to life – and some crafty fun! Stop by the Spiegel Pittsford Community Center up through this Saturday, March 19 and take a stroll through our “**The Tiny Seed**” story walk in the Community Center field. Learn about the life cycle of a seed and follow the journey of the tiny seed as it is carried from its flower by the autumn wind and travels around the world toward its destiny. An inspiring lesson about the importance of perseverance and hope.

Participants are asked to follow physical distancing guidelines and bring a face mask to wear when within 6 feet of those outside of their group.

Once you have completed the walk, stop at the Community Center front desk and pick up a **themed craft pack to take home!** Craft packs are available Monday through Friday from 8:00am – 6:00pm and Saturdays from 10:00am – 5:00pm.

The Spiegel Pittsford Community Center is located at 35 Lincoln Avenue. For more information about the event, call the Community Center at 248-6280.

### **BLOOD DRIVE AT THE LIBRARY THIS TUESDAY**

The Town of Pittsford will host a Red Cross blood drive this Tuesday, March 23 from 9:00am - 2:00pm at the Pittsford Community Library in the Fisher Meeting Room. The Library is located at 24 State Street in the Village of Pittsford.

Donors can schedule an appointment by calling 1-800-RED CROSS (1-800-733-2767) or using this [online registration link](#). **Please schedule an appointment prior to your arrival to help ensure we can safely manage the flow of donors.**

**The Red Cross will be following all COVID-19 guidelines during the blood drive;** additional precautions in place include physical distancing protocols, face coverings, health screenings and enhanced cleaning procedures. Enhanced safety practices include:

- **Pre-Donation Donor Temperature Screening** - all donors must have their temperature taken onsite before entering the blood drive; those with a temperature greater than 99.5°F will be asked to donate at another time and will not enter.
- **Masks** - all donors, staff and volunteers are required to wear masks; those without a mask will be provided with one.
- **Enhanced Disinfecting** - hand sanitizer will be available in multiple areas and donor beds will be sanitized between every donor.
- **All staff will be screened** for temperature and symptoms before working; staff will wear gloves throughout entire blood drive, changing gloves between every donor.

Donors can save time using the RapidPass registration process. Just visit [www.redcrossblood.org/RapidPass](http://www.redcrossblood.org/RapidPass) on the day of your scheduled donation, read the information, answer the questions, then print or email yourself the pass.

Donating blood is a simple thing to do, but it can make a big difference in the lives of others. **Current natural disasters and the complexities of COVID-19 mean your help is needed now more than ever.** The Red Cross has the ability to move blood around the country to wherever, and whenever, it is needed most. **All blood, platelet and plasma donations will be tested for COVID-19 antibodies as well.** The test may indicate if the donor's immune system has produced antibodies to this coronavirus, regardless of whether they developed symptoms.

As we continue to navigate this pandemic, blood donations remain essential to the health of our communities. The Red Cross needs the ongoing support of blood donors and blood drive hosts to ensure blood products are available for patients battling disease and facing the unexpected. If you are eligible and feeling well, please make an appointment today to give by using the Red Cross Blood Donor App, visiting [RedCrossBlood.org](https://www.redcrossblood.org) or calling 800-RED-CROSS.

### **A REMINDER – STAY SAFE: WEAR A MASK, KEEP YOUR DISTANCE, WASH YOUR HANDS!**

The warming weather will bring more people out and about. It may be tempting to relax regarding pandemic precautions but remains very important to take the simple steps to keep yourself, and others, safe. Town

Supervisor Bill Smith, School Superintendent Mike Pero, School Board President Amy Thomas and Village Mayor Bob Corby remind you to wear a mask when you are among others outside of your immediate family, maintain a safe physical distance and wash your hands frequently – especially after being out in public. See their [COVID-19 safety video message here](#).

The health of our community – our people, our businesses, our services and amenities – affects us all and is our shared responsibility. We’re all in this together. Please stay well, be safe and show your Pittsford Pride – wear your mask!

### **PERMACULTURE ONLINE PROGRAM OFFERED MARCH 28 BY A FROG HOUSE**

Spring is coming fast! Are you interested in gardening, curious about eco-friendly planting, or are a permaculture enthusiast? A Frog House is offering an online permaculture presentation on Sunday, March 28 from 1:00-3:00pm with Patty Love of Barefoot Ecological Design. Patty will discuss the basics of permaculture design and gardening. Permaculture is derived from the observation of indigenous practices of nature stewardship and is based on the principle of meeting human needs while also enhancing quality of life for insects, animals, fungi and, of course, frogs. Learn to create beautiful, dynamic, regenerative landscapes that produce food for humans and habitats for wildlife in your own yards. A Q&A session immediately follows the presentation. Suggested donation is \$10-25 sliding scale (diversity waivers available). Register at <https://afroghouse.org/events>.

A Frog House on the Erie Canal path in Pittsford educates children and adults about area wetlands and amphibian life through adventure and activities. It is also a center for active protection of regional ponds and wetlands through alliances with leaders and community groups working to prevent thoughtless development.

### **SEASONAL PARKING RESTRICTIONS IN EFFECT THROUGH APRIL 1, 2021**

In order to facilitate snow removal, Town of Pittsford seasonal parking restrictions are currently in effect through April 1, 2021. Parking of any vehicle on public roads - including state highways and on the shoulder of all roads - is prohibited each year from November 15 through April 1 in all areas within the Town and outside of the Village. During this time, please don't park on or along public roads outside of the Village. Please note violators may be ticketed or towed.

When the snow flies, we need roadsides clear of vehicles so our plows can get through. This is especially true in neighborhoods, where the streets are narrower. Vehicles parked along the roadside can hinder plows accessing your neighborhood. Please help us keep our streets safe and accessible!

### **ASL INTERPRETER ALWAYS AVAILABLE AT TOWN BOARD MEETINGS**

The Town of Pittsford has an American Sign Language interpreter available at every Pittsford Town Board meeting, to interpret for those who need this service. Requests can be made in advance or can be emailed through the first ten minutes of the meeting. An on-demand Town Board meeting video with closed captioning will be available within 48 hours of the meeting; visit [www.townofpittsford.org/home-channel12](http://www.townofpittsford.org/home-channel12) and use the On-Demand links to view previously recorded meetings.
