### **EAST AVENUE STATE DOT CONSTRUCTION UPDATE - WORK TO BEGIN MONDAY IN PITTSFORD**

The State Department of Transportation's (NYSDOT) work on repaving East Avenue from the Pittsford Town line to St. John Fisher College is scheduled to start this Monday, July 22. The full project actually begins at the Rochester City line and will carry through Brighton as well. We are advised that the State DOT plans to do the work lane by lane, from the City of Rochester all the way to Pittsford. You may have seen some work being done already, closer to the city. We can expect a few weeks of inevitable inconvenience. But the project brings us a much-needed, improved road surface with better markings. Problems or questions about the project can be directed to the regional office of the NYSDOT at (585) 272-4818.
