### **BLOOD DRIVE AT THE COMMUNITY CENTER THIS FRIDAY, 10/23 - OPEN TO THE COMMUNITY**

The Town of Pittsford will host a Red Cross blood drive this Friday, October 23, from 11:00am - 4:00pm at the Spiegel Pittsford Community Center in Room 107. The Community Center is located at 35 Lincoln Avenue in the Village of Pittsford.

Donors can schedule an appointment by calling 1-800-RED CROSS (1-800-733-2767) or can go online to do so at [www.redcrossblood.org](http://www.redcrossblood.org) - just type in the Pittsford zip code 14534 in the search box and scroll to the October 23 blood drive. **Please schedule an appointment prior to your arrival to help ensure we can safely manage the flow of donors.**

**The Red Cross will be following all COVID-19 guidelines during the blood drive;** additional precautions in place include physical distancing protocols, face coverings, health screenings and enhanced cleaning procedures. Enhanced safety practices include:

- **Pre-Donation Donor Temperature Screening** - all donors must have their temperature taken onsite before entering the blood drive; those with a temperature greater than 99.5°F will be asked to donate at another time and will not enter.
- **Masks** - all donors, staff and volunteers are required to wear masks; those without a mask will be provided with one.
- **Enhanced Disinfecting** - hand sanitizer will be available in multiple areas and donor beds will be sanitized between every donor.

- **All staff** will be screened for temperature and symptoms before working; staff will wear gloves throughout entire blood drive, changing gloves between every donor.

Donors can save time using the RapidPass registration process. Just visit [www.redcrossblood.org/RapidPass](http://www.redcrossblood.org/RapidPass) the day of your donation, read the information, answer the questions, then print or email yourself the pass.

Donating blood is a simple thing to do, but it can make a big difference in the lives of others. **Current natural disasters and the complexities of COVID-19 mean your help is needed now more than ever.** The Red Cross has the ability to move blood around the country to wherever, and whenever, it is needed most. **All blood, platelet and plasma donations will be tested for COVID-19 antibodies as well.** The test may indicate if the donor's immune system has produced antibodies to this coronavirus, regardless of whether they developed symptoms.

As we continue to navigate this pandemic, blood donations remain essential to the health of our communities. The Red Cross needs the ongoing support of blood donors and blood drive hosts to ensure blood products are available for patients battling disease and facing the unexpected. If you are eligible and feeling well, please make an appointment today to give by using the Red Cross Blood Donor App, visiting [RedCrossBlood.org](http://RedCrossBlood.org) or calling 800-RED-CROSS.

### **KING'S BEND PARK LODGE RESERVATION PROCESS GOES ONLINE**

#### ***Resident reservations begin Nov. 2 for 2021 season***

Reservations for the Town's King's Bend Park lodges now will be made online beginning with the 2021 season. **Starting Monday, November 2 at 12:00pm, Pittsford residents can reserve lodge dates** by visiting the Town website's Recreation Online Reservations web page at <https://webtrac.townofpittsford.org/wbwsc/webtrac.wsc/wbsplash.html>. The online lodge reservation process replaces the former lottery system format.

Online registration simplifies the lodge reservation process. [See our Reservation Instructions form here](#) for registration steps and how to log into your account or to create an account if you've never registered for a Town Recreation program before. Find lodge facilities details on our [Facilities Information web page](#).

Those who are unable to complete a reservation online may drop off or mail in a reservation request form. Please note payment is due at the time of the request. Any hard copy request (dropped off or mailed in) should indicate a first priority and second priority date. Forms dropped off or mailed in are not guaranteed to receive the requested date(s), as reservation requests require processing time.

In-person reservations will be accepted during regular office hours (Monday - Friday from 8:00am - 5:00pm). Any requests received outside of office hours will be processed on the next business day.

Lodge reservations for non-residents will begin on Monday, January 4, 2021, after 12:00pm.

### **TOWN LEAF COLLECTION IS UNDERWAY - PLEASE KEEP LEAVES OUT OF ROADWAYS**

#### ***Separate collection schedules for leaves and yard debris***

Our crews will be in your neighborhood approximately every two weeks to remove leaf piles at the edge of roadways. They'll be there once a week to remove yard debris in paper bags and reusable containers. Loose yard debris will be picked up as needed but not on a set schedule. Use our online [Leaf Collection App](#) to see when leaf crews will be in your area and our online [Yard Debris Collection Map](#) to determine your bagged/containerized yard debris collection day. Find them both, and more information, on our Leaf and Yard Debris Collection web page at [www.townofpittsford.org/home-leaf\\_collection](http://www.townofpittsford.org/home-leaf_collection).

**To help us remove your leaves as quickly as possible, please:**

- State and Town law both prohibit placing leaves and yard debris in the road and its shoulder. **Place leaf piles at the edge of the road but not in it.** Leaves in the road are a hazard for pedestrians, bicyclists and drivers and can clog storm water drains, causing flooding.
- **Separate all sticks, brush, yard clippings and other debris into reusable containers or paper bags.** This allows recycling of all materials and helps avoid damage to our leaf vacuum or injury to our crew members. It also allows weekly pick up.
- From October 9 through December 3, sticks, brush and other **debris must be placed in paper bags or reusable containers in order for Town crews to collect it on a weekly basis.** This is because Town trucks that pick up loose debris in spring and summer are now busy collecting leaves and are fitted with different equipment. We'll still be picking up loose sticks and brush as needed, but please remember **loose debris will be collected intermittently during leaf season.**
- **Please don't pile leaves around fire hydrants.** Doing so delays firefighters in finding them when every second counts. Also, hydrants can be damaged by leaf pickup equipment when they are hidden under a pile of leaves; this can also injure Town employees and damage our equipment.

Please remember:

- Leaves will be picked up approximately every two weeks
- Yard debris other than leaves will be picked up every week if in a paper bag or reusable container
- Loose piles of yard debris other than leaves will be picked on an intermittent schedule during leaf season
- Regularly scheduled pickup for yard debris and leaves ends December 3 but the Town will continue to collect leaves and debris as needed

As noted above, make sure to place non-leaf debris in a paper bag or reusable container and keep it separate from your leaf piles.
