**IMPORTANT: Please check ONLY ONE of the reimbursement options below:**

- Time and Materials (Conventional)**     
 **Fixed Lump Sum**     
 **Indexed Lump Sum**

This Agreement made by and between THE PEOPLE OF THE STATE OF NEW YORK (hereinafter referred to as "STATE"), acting by and through the Commissioner of Transportation of the State of New York (hereinafter referred to as "COMMISSIONER"), and the \_\_\_\_\_ of \_\_\_\_\_  
Title

the Town of Pittsford (hereinafter referred to as "MUNICIPALITY") as follows:  
*Town, Village, City or County*      *Municipality*

WHEREAS, Pursuant to Section 12 of the Highway Law, the maintenance of State highways includes the control of snow and ice thereon as the COMMISSIONER may deem to be necessary to provide reasonable passage and movement of vehicles over such highways, and

WHEREAS, the work of such control of snow and ice may be done by any municipality, which for the purposes of said Section 12 shall include only a county, city, town or village, pursuant to an agreement entered into between the governing board or body of any such municipality and the COMMISSIONER; and

WHEREAS, The MUNICIPALITY is willing to perform the work of such control of snow and ice upon STATE highways according to the guidelines, policies and procedures deemed by the COMMISSIONER to be for the best interest of the public:

NOW, THEREFORE, In consideration of the mutual covenants and benefits between the parties hereto.

WITNESSETH:

1. The term of this Agreement shall be for five years commencing **July 1, 2019 and ending June 30, 2024**. At least one year prior to the expiration each five-year term the MUNICIPALITY shall notify the COMMISSIONER either (a) that it requests with the approval of the COMMISSIONER that the term of the Agreement be extended five years, or (b) that it intends not to extend the Agreement, in which case the Agreement shall expire at the end of the five-year term. The maximum contract life for this Agreement shall not exceed twenty years from the original contract date at which point a new contract will need to be executed. If the MUNICIPALITY fails to notify the COMMISSIONER as herein provided, it shall be deemed that the municipality intends not to extend the term of this Agreement.
2. The MUNICIPALITY and the STATE agree to the method of reimbursement selected above. Detailed descriptions of the reimbursement methods are outlined in the *Municipal-State Agreements for Control of Snow and Ice on State Highways: Terms, Reimbursement Procedures and Documentation*, as published on the NYSDOT website at the time of contract execution and are incorporated herein by reference. This document is located at: <https://www.dot.ny.gov/divisions/operating/oom/transportation-maintenance/snow-ice>
3. In the event that the COMMISSIONER shall deem the work of control of snow and ice performed by the MUNICIPALITY inadequate or unsatisfactory according to the terms of this Agreement and not being performed in the best interest of the public, the COMMISSIONER may, by official order to be filed in the COMMISSIONER'S office and the Department of State, cancel the Agreement, and any payments herein provided by the STATE shall cease. Any such official order shall become effective at the expiration of five (5) days after the COMMISSIONER shall have mailed a certified copy thereof to the clerk or other official who performs duties of a clerk in such MUNICIPALITY. The COMMISSIONER shall thereupon perform the work in such manner as, in the COMMISSIONER'S judgment, shall be for the best interest of the public.

4. The MUNICIPALITY may enter into a contract with another municipality for the performance of the work of said control of snow and ice as a subcontractor of the MUNICIPALITY, provided that such MUNICIPALITY shall first obtain the consent therefor from the COMMISSIONER. The MUNICIPALITY, as an agent of the State in performing the function herein delegated to it by the State, shall clear such State highways of snow and ice as designated by the COMMISSIONER, to the extent that the COMMISSIONER may deem necessary to provide reasonable passage and movement of vehicles over such highways all in accordance with terms, rules and regulations as may be deemed by the COMMISSIONER to be in the best interest of the public, such terms, guidelines, policies and procedures (a) having been submitted to and examined by the governing body of said MUNICIPALITY, prior to or simultaneously with the execution and delivery of this Agreement are hereby made part hereof, and (b) being subject to change or modification from time to time by the COMMISSIONER after consultation and negotiation with the municipality as the COMMISSIONER deems it necessary for the best interest of the public, it being understood by the parties hereto that notice of any such change or modification shall be mailed by the COMMISSIONER to the MUNICIPALITY and shall, according to the provisions hereof, be deemed to be thereupon accepted by the MUNICIPALITY and made a part hereof, except that in the event the MUNICIPALITY does not concur with the modification, the MUNICIPALITY may submit a letter of dispute to the COMMISSIONER within 10 business days after receipt of the notice, setting forth the reason for the non-concurrence. The COMMISSIONER shall then, within 10 business days, arrange for a meeting between representatives of the COMMISSIONER and the MUNICIPALITY to be held as soon as practicable to resolve the matter. In the event the matter cannot be resolved, the COMMISSIONER may unilaterally impose the modification, and the MUNICIPALITY shall comply. In that event, the MUNICIPALITY may, if it so elects, notify the COMMISSIONER that this Agreement is terminated, effective not less than one year after the date of receipt of the notice by the COMMISSIONER. The COMMISSIONER may, however, shorten this period to not less than 30 days, if the COMMISSIONER deems it in the public interest.
5. In the event that snow fence installation and removal is part of the agreement, the MUNICIPALITY shall obtain necessary permission from the landowners affected and shall erect snow fences at suitable locations on such highways where designated by the COMMISSIONER and shall also remove such snow fences pursuant to said guidelines, policies and procedures.
6. The MUNICIPALITY shall (a) designate and hereby does designate the Superintendent of Highways of the MUNICIPALITY as the representative of the MUNICIPALITY who shall be in responsible charge and shall have supervision of the performance of the work under this Agreement, (b) provide the necessary machinery, tools, materials and equipment to perform the terms of this Agreement, (c) provide the necessary personnel and supplies to operate such machinery, tools and equipment, and (d) furnish abrasives, chemicals or other similar materials at such locations as may be designated by the COMMISSIONER and in such quantities as may be necessary for the performance of this Agreement, to be applied in the manner and in such quantity as may be directed by the COMMISSIONER, provided, however, the COMMISSIONER with the concurrence of the municipality may furnish for use under this Agreement such snow fence, materials, chemicals and abrasives as he may deem desirable and in the best public interest, and he shall notify the MUNICIPALITY on or before August 1 of each year as to the kind and amount of such items as are to be furnished for the following winter season.
7. The COMMISSIONER shall furnish the MUNICIPALITY with a suitable map which shall delineate the State Highways within and in the vicinity of the boundaries of the MUNICIPALITY and shall show distinctively, the State Highways or parts thereof that are affected by this Agreement. For each year of the term of the Agreement, or for any extended term thereof, the maps shall be modified to show the changes, if any, to the State Highways affected by this Agreement. Any such modification to such map shall be agreed upon in writing by the COMMISSIONER and the MUNICIPALITY.
8. Whenever directed by the COMMISSIONER, the MUNICIPALITY shall include in the work delegated to be performed under this Agreement any bridges or highways that cross into an adjacent municipality or municipalities after consultation with the effected municipalities.
9. In consideration of the performance of the MUNICIPALITY, the STATE agrees to pay the MUNICIPALITY each year during the term of this agreement \$303,885.71 for 70.88 lane miles for each average season. This figure shall be known as the estimated expenditure. This estimated expenditure may be adjusted annually by the COMMISSIONER under this Agreement based upon demonstrated increases or decreases in the cost of performing the work or due to increases or decreases in lane miles on which work is performed. Such adjustments will require an Amendment to this Agreement. **The total contract value for the term of this agreement is \$1,519,428.55.** The COMMISSIONER, however, reserves the right to reduce the amount of the estimated expenditure set forth herein if the monies available to the Department for control of snow and ice are not sufficient to meet the anticipated expenditures for this program. In the event of such an occurrence, the COMMISSIONER shall notify the MUNICIPALITY, on or before November 1st of any year during the term of this Agreement for which such changed

estimated expenditure is to apply. Upon receipt of such notice, the MUNICIPALITY shall, in cooperation with the STATE, review and reorganize its operations to the fullest extent practicable to prevent over commitment of allocated funds. The COMMISSIONER may in his or her discretion restore in part or in whole the amount of the estimated expenditure taking into consideration the weather conditions experienced in the MUNICIPALITY and the amount of monies available for control of snow and ice.

10. **This section applies only to Fixed Lump Sum and Indexed Lump Sum Contracts:** The estimated expenditure may be updated under this contract based upon demonstrated increases or decreases in the cost of performing the work. The cost of the work is comprised of the following portions that have been agreed to by the STATE and MUNICIPALITY: **Labor \_\_\_\_\_%, Materials \_\_\_\_\_% and Equipment \_\_\_\_\_%**. The approved modified increase or decrease in the estimated expenditure shall become effective upon written notification by the COMMISSIONER to the MUNICIPALITY and shall thereby be substituted in place of the above estimated expenditure and made part of this Agreement without further action. If the mileage of which work is performed by the MUNICIPALITY increases or decreases or the MUNICIPALITY or the state incurs other changes that impact the cost of performing the work, the amount of the estimated expenditure set forth herein may be adjusted by the COMMISSIONER after consultation/negotiation with the MUNICIPALITY in writing, on or before November 1<sup>st</sup> of any year during the term of this Agreement for which such changed estimated expenditure is to apply. Upon receipt of such notice, the MUNICIPALITY shall, in cooperation with the STATE, review and reorganize its operations to the fullest extent practicable to accommodate the change.
11. The STATE shall indemnify and hold harmless the MUNICIPALITY for work performed hereunder to the extent permitted under Highway Law Section 12 (2-a).
12. The MUNICIPALITY specifically agrees that this Agreement shall be deemed executory only to the extent of the monies available, and no liability shall be incurred by the STATE beyond the monies available for the purpose.
13. This Agreement and the attached Appendix A, Standard Clauses for all New York State Contracts, and Appendix A-1, Supplemental Title VI Provisions (Civil Rights Act) shall bind the parties, their successors and assigns.

## **STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the

Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-

a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the

agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.** In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of

\$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. **22. the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

(To be included in all contracts)

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

- (1) Compliance with Regulations: The contractor shall comply with the Regulation relative to nondiscrimination in Federally assisted programs of the Department of Transportation of the United States, Title 49, Code of Federal Regulations, Part 21, and the Federal Highway Administration (hereinafter "FHWA") Title 23, Code of Federal Regulations, Part 200 as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.

- (3) Solicitations for Subcontractors, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin, sex, age, and disability/handicap.
- (4) Information and Reports: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by NYSDOT or the FHWA to be pertinent to ascertain compliance with such Regulations, orders and instructions. - (5) Sanctions for Noncompliance: In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, NYSDOT shall impose such contract sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:

  - a) Withholding of payments to the contractor under the contract until the contractor complies; and/or
  - b) Cancellation, termination or suspension of the contract, in whole or in part.
