## HALLOWEEN FEST COLLECTS 18 CARTONS OF FOOD FOR PITTSFORD FOOD CUPBOARD!

Thanks to generous attendees at our 19th annual Family Halloween Fest, we collected 18 boxes of canned goods and other food items for the Pittsford Food Cupboard! It was a great day for family fun and for the first time, the event was held at the Spiegel

Pittsford Community Center. There were a variety of terrific costumes and plenty of treats, crafts, games, and indoor and outdoor activities. Thanks so much to all who attended! We also truly appreciate the volunteers from Pittsford Rotary, the Rotary Interact Clubs of Mendon and Sutherland High Schools, and other community groups who helped provide such fun activities and special treats for all of our guests – while decked out in some pretty great costumes!

We are especially thankful for our generous event sponsors [Wegmans](#), [Wilmorite](#), and event supporter Greenlight Networks. Thanks as well to the Pittsford Rotary Club and Rotary Interactors and to local Pittsford businesses providing in-kind donations for the event: Bristol's Garden Center, Powers Farm Market, and Willard Farms.

We hope to see you all again next year!

*Visit all sites and enter drawing for a free week of Summer Camp!*

The Town of Pittsford approved its award-winning "Greenprint for the Future" in 1996, preserving in perpetuity over 2,000 acres of open space in Pittsford, by purchasing of development rights of 10 local farms. ### **GREENPRINT 25 SPOTLIGHT: POWERS FARMS AND SWEENEY FARM**

We continue to celebrate the 25<sup>th</sup> anniversary of the

Town's [Greenprint plan](#) with a focus on some of the farms preserved by the Greenprint. Initially part of the larger Zornow family farm, the lands on the **Powers Farms** have been cultivated since the late 1700s. Betsy Zornow Powers' family purchased the farm in 1946 and established it as a very successful dairy farm. Her husband Roger Powers began managing the farm in the mid-1960s. In the late 1980s part of the farm passed to Betsy and

Roger. Today, their children, children's spouses, and their grandchildren help work the 175-acre Powers Farms, raising vegetables, small fruits, and ornamentals for their very popular Powers Farm Market at 161 Marsh Road, and they all help with a variety of annual seasonal events held at the farm and market. Over several years, the Powers family restored the c.1840 Albert White Farm homestead on the property and made it their family home. The Albert White Farm was one of four original farms that make up Powers Farms.

The Powers also own and farm the 75 acre former **Sweeney Farm** on East Street – also preserved by the Greenprint. The Sweeney Farm was nearly turned into a housing development, but the Greenprint plan allowed the Town to purchase the development rights and enabled Roger Powers to buy the farm, preserving it for agricultural use. Roger Powers believes farms are an important asset to our community. He strives to highlight their value by educating and inspiring his customers through various events and activities at his farm and market. He's grateful the Greenprint helped keep farming in Pittsford – and helped preserve the beauty of our open spaces.

"The Greenprint made farming possible," Roger says. "Without it, farming was on its way to extinction in Pittsford. There would be wall-to-wall development."

## COVID-19 Closure Updates

On June 15, 2021, Governor Cuomo announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and personal care services, among other commercial settings.

On August 2, 2021, Monroe County was designated as a County with a “substantial” COVID infection. Consequently, the CDC now recommends that people, regardless of vaccination status, wear a mask indoors. This is a recommendation, not a mandate. The guidelines are unclear at this point, as is the situation. Neither the State, the County or the Town has imposed a mask *requirement* at this stage. pp

Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals. For information on the vaccine, on getting the vaccine, regional vaccination data and more visit the [Finger Lakes COVID-19 Vaccine Hub](#).

**Monroe County Services at Town facilities:**

The County has suspended until further notice Passport Services at Town Hall and Mobile DMV service at Pittsford Town Court. Find updated information for Monroe County DMV here <https://www2.monroecounty.gov/clerk-COVID-19>.
