## **PUBLIC HEARING ON MARIJUANA DISPENSARIES/CONSUMPTION LOUNGES AT 12/8 MEETING**

On Wednesday, December 8 at the Town Board meeting a public hearing at which Pittsford residents can share their views will be held about the Town Board's decision to pursue **opting out of marijuana retail dispensaries and consumption lounges in the Town of Pittsford**. It is possible the Board may vote on the issue that night as well. The meeting begins at 6:00pm and will be held in the lower level meeting room of Town Hall, 11 South Main Street.

- 
- + No action is required to opt-in
  - + Municipalities may choose to opt-out from allowing dispensaries and/or consumption lounges
  - + May not limit cultivation or production.
  - + Once they opt-out, they can reverse decision and opt-in
  - + May not opt-out after the deadline
  - + Municipalities can regulate operations through zoning and other restrictions.

The Town Board had discussed the issue at its November 16 meeting and decided to pursue opting out of marijuana retail dispensaries and consumption lounges in the Town of Pittsford.

New York State has set a **deadline of December 31, 2021** for local municipalities to decide whether to opt in or opt out of the New York State Cannabis Law which legalizes operation of marijuana retail dispensaries and consumption lounges.

Per New York State Law, no action is required by the Town to opt in. The Town can choose to opt out from allowing retail dispensaries and/or consumption lounges. If the Town opts out, it can later – at any time in the future – opt in. However the Town may not opt out after the December 31, 2021 deadline. In other words, **if the Town of Pittsford decides before December 31 to opt out, it can opt in to allow retail dispensaries and/or consumption lounges anytime thereafter. If the Town of Pittsford takes no action or chooses to opt in before December 31, the Town cannot ever opt out in the future.**

Those interested can read the NYS legislation here:  
<https://legislation.nysenate.gov/pdf/bills/2021/s854a>.

As always at Town Board meetings, **comments by any Pittsford resident may be made** in person at the meeting, may be emailed during the meeting to [comments@townofpittsford.org](mailto:comments@townofpittsford.org), or can be submitted in advance at any time before

2:30pm on the day of the meeting (a) by email to [comments@townofpittsford.org](mailto:comments@townofpittsford.org); (b) by submitting it in writing, through the drop slot to the right of the front door at Town Hall (11 South Main Street); or (c) by U.S. Mail to the Town Clerk, for receipt no later than 2:30pm on the day of the meeting. Please note all comments submitted must include the name and street address of the commenter. Comments from residents will be read by the Town Clerk at the appropriate point of the meeting.

## COVID-19 Closure Updates

On June 15, 2021, Governor Cuomo announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and personal care services, among other commercial settings.

On August 2, 2021, Monroe County was designated as a County with a “substantial” COVID infection. Consequently, the CDC now recommends that people, regardless of vaccination status, wear a mask indoors. This is a recommendation, not a mandate. The guidelines are unclear at this point, as is the situation. Neither the State, the County or the Town has imposed a mask *requirement* at this stage.

Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals.

For information on the vaccine, on getting the vaccine, regional vaccination data and more visit the [Finger Lakes COVID-19 Vaccine Hub](#).
