## **“GOODBYE WINTER, HELLO SPRING” STORY STROLL AT COMMUNITY CENTER THIS WEEK**

*Display will be up at Community Center through this Sunday*

Join us for a colorful story come to life – and some crafty fun! Stop by the Spiegel Pittsford Community Center this week, through this Sunday, March 20 and take a walk through our “Goodbye Winter, Hello Spring” Story Stroll in the Community Center field. It's a delightful story of the changes in nature when spring is on the way, written and illustrated by Kenard Pak. Take a walk with a boy and his dog as they stroll through the countryside and greet in cheerful conversation the signs of the coming season - from the melting brook to chirping birds.

Once you have completed the walk, stop at the Community Center front desk and pick up a **themed craft pack to take home!** Craft packs are available Monday through Saturday from 8:00am – 5:00pm and Sunday from 10:00am – 5:00pm.

### **ARPA FUND PROJECTS: YOUR VOICE MATTERS!**

Identifying projects for municipal improvements that may be eligible for ARPA funding is something for all residents to consider. We want to hear your suggestions for possible uses for the \$2.8 million in federal funds that the Town has received under the American Rescue Plan Act (“ARPA”). Meant to mitigate the adverse effects of the COVID-19

pandemic sustained by local government, ARPA funds allow municipalities to recoup revenue losses, to complete deferred projects, programs and maintenance and pursue other projects related to municipal services.

The Town Board has in mind projects that can be fully completed without recourse to other funding. You can share your ideas with us at any Town Board meeting in person. You can also contact the Supervisor and Town Board with your suggestions by visiting [www.townofpittsford.org/townboard](http://www.townofpittsford.org/townboard) and scrolling to the link to email all of our Town Board members.

Historic Pittsford is seeking applicants for its Jean France Historic Preservation Scholarship. A \$500 scholarship will be awarded to a student who is enrolled in, applying to, or accepted into a college program that may lead to a career related to historic preservation. College programs may include but are not limited to architecture, history, museum studies, landscape architecture, environmental studies, or other related field.

The scholarship award is open to a high school senior or college student who is:

An application form and additional information is available on the Historic Pittsford website at [www.historicpittsford.com/preservation-awards](http://www.historicpittsford.com/preservation-awards). The application deadline May 15, 2022.

The Jean France Historic Preservation scholarship was established by Historic Pittsford in 2016 to honor Jean France, a founding member of Historic Pittsford. Mrs. France was a highly respected architectural historian, a vastly knowledgeable preservation consultant, and a tireless advocate for preserving the built environment. A former professor at the University of Rochester, she championed the importance of architectural preservation as a lecturer, researcher and author.

The scholarship honors Mrs. France's commitment to the growth, development and mission of Historic Pittsford and to the preservation of historic architectural and cultural resources in Pittsford. With this scholarship, Historic Pittsford hopes to advance the careers of students with demonstrated interest in historic preservation, thus perpetuating the work of Jean France and the mission upon which Historic Pittsford was founded.

## **ELDERBERRY EXPRESS NEEDS VOLUNTEER DRIVERS**

***Volunteering just a few hours a month can make a big difference to our seniors***

Elderberry Express is in need of volunteer drivers willing to help provide transportation, from one to a few times per month, to seniors in Pittsford. Each trip takes between one to two hours. This small time commitment makes a big difference to seniors who can get out and about but can no longer drive.

The Elderberry Express is a free transportation service for Pittsford residents age 55 and older. Volunteer drivers transport seniors to and from medical appointments, banking activities, visits to friends and family, prescription pickups, hairdresser/barber appointments, grocery shopping and other errands. The volunteer hours are very flexible and the time you choose to commit is up to you!

Volunteer drivers attend a one-time, three-hour training session at Lifespan (at Brighton Plaza on South Clinton Avenue). This session affords drivers the opportunity to know what is involved in providing transportation to seniors; drivers who complete this training session receive additional liability insurance. By volunteering your time you can give others the gift of continued independence. It's a fun, meaningful way to give back to the community – while you meet some wonderful people and have great conversations! Can you help? Call or stop by the Elderberry Express office in the Senior Programs Office at the Spiegel Pittsford Community Center, 35 Lincoln Avenue, telephone 248-6237.

## **COVID-19 Access Updates**

3/2/22 Update: the Statewide mask mandate for schools expired 3/1, mask use is now optional in Pittsford School District schools; for more information, visit [www.pittsfordschools.org/COVID-19INFORMATION](http://www.pittsfordschools.org/COVID-19INFORMATION). The mandate remains in place for health care facilities, transportation and other related entities.

2/10/22 Update: the Statewide mask mandate has expired for indoor public spaces including grocery stores, shops and offices. The mandate remains for other settings such as health care facilities and schools.

1/31/22 Update: the Governor's mask mandate extended to February 10, 2022.  
12/13/21 Update: By order of NYS Governor Kathy Hochul, until January 15, 2022 the Town must require all persons entering Town buildings to be masked, regardless of vaccination status. This applies to all Town indoor facilities, including Town Hall, the Spiegel Pittsford Community Center, the Pittsford Community Library, Town Court and the Highway Department, Sewer Department and Parks Department offices.

---

On June 15, 2021, Governor Cuomo announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and personal care services, among other commercial settings.

On August 2, 2021, Monroe County was designated as a County with a "substantial" COVID infection. Consequently, the CDC now recommends that people, regardless of vaccination status, wear a mask indoors. This is a recommendation, not a mandate. The guidelines are unclear at this point, as is the situation. Neither the State, the County or the Town has imposed a mask *requirement* at this stage.

Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals.

For information on the vaccine, on getting the vaccine, regional vaccination data and more visit the [Finger Lakes COVID-19 Vaccine Hub](#).

**Monroe County Services at Town facilities:**

The County has suspended until further notice Passport Services at Town Hall and Mobile DMV service at Pittsford Town Court. Find updated information for Monroe County DMV here <https://www2.monroecounty.gov/clerk-COVID-19>.
