## Rabies Clinic Scheduled for 5/12 is Postponed

### RABIES CLINIC POSTPONED

***Monroe County postpones clinic due to lack of rabies vaccine availability***

The Town of Pittsford's Rabies Vaccine Free Clinic originally scheduled for this Thursday, May 12, 2022 has been postponed. The Monroe County Health Department usually supplies the rabies vaccines but per County officials, the rabies vaccines currently are not available due to delivery issues. We will reschedule the clinic once we are informed by the County that the rabies vaccines are available for distribution. The new Rabies Vaccine Clinic date will be posted on the Town website [www.townofpittsford.org](http://www.townofpittsford.org) and in the [Town eNews](#).
