LEARN ABOUT ENERGY-EFFICIENT HEATING AND COOLING - TONIGHT AT THE LIBRARY

Heat Smart Pittsford campaign promotes clean energy options & free energy audits

The Town is working with HeatSmart Monroe and Color Pittsford Green to promote clean heating and cooling options through a [Heat Smart Pittsford](#) community outreach and education campaign. The campaign will spread the word about clean heating and cooling technologies to help make Pittsford homes more energy-efficient and less dependent on fossil fuels. An **information session will be held at the Pittsford Community Library TONIGHT, Wednesday, September 28 at 7:00pm**. The meeting is free and open to the public – register at <http://Bit.ly/heatsmartpittsford>. Attend to find out how you can sign up for a **free, no-obligation home energy assessment** and receive a **free report your current home heating demands and options for sustainable improvements**, including home insulation/air-sealing improvements and/or a heat pump system.

Adopting sustainable practices like improved insulation and air-sealing and using affordable heat pump technology can enhance indoor air quality, decrease negative impacts on the environment, and can lower your energy costs. Taking action now will help make the Pittsford community cleaner, greener, and more sustainable long into the future!

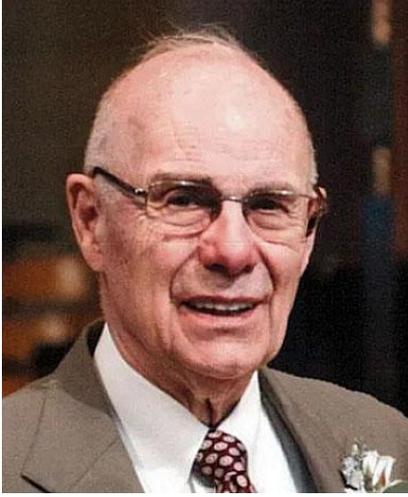

TOWN TO DEDICATE SENIORS ACTIVITY ROOM TO RON ANDERSON THIS THURSDAY

Longtime Pittsford resident advocated for seniors

This Thursday, September 29, the Town of Pittsford will dedicate the Ronald C. Anderson Activity Room at the Spiegel Pittsford Community Center.

Refreshments will be served at 3:00pm and followed by a dedication ceremony at 4:00pm. Members of the public are welcome to attend.

A longtime Pittsford resident and caring advocate for

Pittsford's seniors, Ron Anderson was an enthusiastic participant and ardent supporter of the Town's Seniors programs and services. He served as the senior services and programs liaison on the Citizens' Advisory Committee for renovation of the Spiegel Community Center, during which time he lent invaluable insight and guidance for facility considerations regarding senior programming, accessibility and engagement needs; his thorough and perceptive observations and recommendations helped shape the amenities and facilities for seniors that would be included in the renovated and restored Community Center.

Ron's additional volunteerism in our community included service as an engaged and committed member of the Town's Parks and Recreation Advisory Board for several years; he was also a volunteer driver for the Elderberry Express Pittsford senior transportation service for over a decade and a Pittsford Little League coach and team manager.

The Ronald C. Anderson Activity Room offers a comfortable and welcoming place for seniors to play cards and games, relax with friends, read, or – one of Ron's favorite activities – work on a puzzle.

With Ron Anderson's death in September of 2021, the Town of Pittsford lost a dedicated advocate for senior programs and services, a caring volunteer, and a good friend, but his impact on our community and the seniors we serve lives on in his accomplishments and in those many lives he touched.

The Town continues to encourage payments by mail or by secure drop box available 24/7; drop boxes are located at both the front and back entrances of the Pittsford Town Hall, 11 South Main Street. If you will be sending your payment by mail or drop box, please include your payment coupon and a contact phone number on your check. Failure to do so increases processing time. Payments also can be made at Canandaigua National Bank, 18 State Street, in Pittsford Village or online through Monroe County; there will be a 2.7% fee to use this online payment service. To pay online, click [HERE](#).

Canandaigua National Bank will continue to accept *full payments only* through October 1.

Second and third installment payments cannot be accepted at Town Hall. Second and third installments will only be accepted at the Monroe County Office of the Treasury (39 West Main Street, Monroe County Office Building) and made payable to: Monroe County Treasurer; they are not payable at Town Hall.

Full payments with 2% interest will be accepted from October 3 - October 31 and these payments can be mailed or placed in the secure mail slot at Pittsford Town Hall. If you need assistance in that calculation, please contact the tax office directly by email at townclerk@townofpittsford.org or phone 585-248-6215 for the correct amount due.

Please Note: **We strongly discourage paying your tax bill via your banking Electronic Checking/Online bill pay system.** If you are paying your bill with an online bill pay system, please be aware that your bank still mails us a paper check without a USPS postmark and it may take as long as two weeks to reach our office. Therefore, your payment is not considered received until we physically receive the payment in our office. **We do not recommend sending payment in this manner.**

VOLUNTEERS NEEDED – A PLANTING PARTY THAT’S FOR THE BIRDS!

Town and Color Pittsford Green to create a Bird Harbor at Great Embankment Park

The Erie Canal National Heritage Corridor has become an important part of many birds’ migration route – from bald eagles to bluebirds, and from hawks and herons to hummingbirds. Unfortunately, over the past decades much of the vegetation that has moved into the woods and wetlands along the canal doesn’t

provide appropriate nutrition and shelter to help these birds along their journey or to support the ones who stay. But the Town of Pittsford is partnering with Color Pittsford Green to help!

We’re going to create a "Bird Harbor" – a native shrub and perennial garden along the canal at the Great Embankment Park. The garden will provide critical habitat for the birds that make the park their home and those who stop by to refuel on their journey.

Community members can help make a Bird Harbor at Great Embankment Park a reality – **join us for a planting day on Friday, October 7** . It’s the perfect way to start your long weekend! Please come and lend a hand (or a shovel)! We’ll be planting trees, shrubs and perennials on October 7 **from 10:00am to Noon and from 4:00pm to 6:00pm**. Come for the day or just an hour, and don’t forget your gardening gloves. Light refreshments will be provided. Contact Ellen Henry of Color Pittsford Green at echenry@rochester.rr.com or Pittsford Town Parks General Foreman Jess Neal at JNeal@townofpittsford.org with questions. Rain date is October 14, 2022. Great Embankment Park is located at 631 Marsh Road and is accessible via the Erie Canal path as well.

COVID-19 Access Updates

3/2/22 Update: the Statewide mask mandate for schools expired 3/1, mask use is now optional in Pittsford School District schools; for more information, visit www.pittsfordschools.org/COVID-19INFORMATION. The mandate remains in place for health care facilities, transportation and other related entities.

2/10/22 Update: the Statewide mask mandate has expired for indoor public spaces including grocery stores, shops and offices. The mandate remains for other settings such as health care facilities and schools.

1/31/22 Update: the Governor's mask mandate extended to February 10, 2022.

12/13/21 Update: By order of NYS Governor Kathy Hochul, until January 15, 2022 the Town must require all persons entering Town buildings to be masked, regardless of vaccination status. This applies to all Town indoor facilities, including Town Hall, the Spiegel Pittsford Community Center, the Pittsford Community Library, Town Court and the Highway Department, Sewer Department and Parks Department offices.

On June 15, 2021, Governor Cuomo announced that COVID-19 restrictions are lifted immediately as 70 percent of New Yorkers aged 18 or older have received the first dose of their COVID-19 vaccination series. The State's health guidance and New York Forward industry specific guidelines—including social gathering limits, capacity restrictions, social distancing, cleaning and disinfection, health screening, and contact information for tracing—are now optional for retail, food services, offices, gyms and fitness centers, amusement and family entertainment, hair salons, barber shops and personal care services, among other commercial settings.

On August 2, 2021, Monroe County was designated as a County with a "substantial" COVID infection. Consequently, the CDC now recommends that people, regardless of vaccination status, wear a mask indoors. This is a recommendation, not a mandate. The guidelines are unclear at this point, as is the situation. Neither the State, the County or the Town has imposed a mask *requirement* at this stage.

Unvaccinated individuals continue to be responsible for wearing masks, in accordance with federal CDC guidance. Consistent with the State's implementation of the recent CDC guidance, masks are still required for unvaccinated individuals.

For information on the vaccine, on getting the vaccine, regional vaccination data and more visit the [Finger Lakes COVID-19 Vaccine Hub](#).
