CONTINUED HEARING:

BME Associates, Coventry Ridge Subdivision Section 3
Preliminary Subdivision

Fred Shelley, of BME Associates, introduced the application. Jim Connaughton, of Clover Street Development Corp., was also in attendance. Mr. Shelley stated that the applicant is applying for the last section of Coventry Ridge Subdivision off of Clover Street. The subdivision section proposes 16 new single-family residential lots. The property is zoned Incentive Zoning (IZ). As noted during the approval for Section 4, one lot was relocated from Section 4 to Section 3. The total number of lots approved as part of the Concept Subdivision is being retained. The applicant received the Development Review Committee (DRC) comments, dated May 10, 2024. Mr. Shelley stated that the existing buffer would need to be cut back and trimmed to implement the trail. Trail access is available on the opposite side of the stormwater management facility, so the applicant has requested to omit the originally approved trail as part of the Concept Subdivision approval. Stormwater management facility comments will be negotiated with Town staff. NYSDEC coverage has been obtained under the current general permit. Monroe County agencies have received applicable notification and applications.

Chairman Limbeck asked for Board comments. He asked the applicant to resolve the DRC comments with Town staff.

Mr. Connaughton requested a site visit with the Planning Board, Environmental Board, and Parks and Recreation Advisory Board.

Respectfully submitted,

April Zurowski
