Most HHW (paint, flammables and other chemicals from home-use) is safe when used and stored properly. When items become unwanted and are disposed of improperly, these household wastes can become environmental hazards.

Pittsford and East Rochester residents can call 248-6250, or go on-line to <http://www.monroecounty.gov/ecopark/> to schedule your appointment. This collection is open to all Monroe County residents. **Waste from businesses will not be accepted.**
