SCHOEN PLACE SCAVENGER HUNT

Explore Schoen Place along the canal and you may win a prize basket from our Town Historians! Complete and **return the Scavenger Hunt form by September 8, 2022** to the Spiegel Pittsford Community Center (35 Lincoln Avenue) or email it (or a list of your answers with the question numbers) to vprofit@townofpittsford.org. Answers can be found by observing, reading, or listening.

All correct entries will be entered in the prize drawing.

1. A bear stands in front of this building. What is the business?
2. How tall is the grain elevator?
3. Find a sign with a scannable code to learn more about apples and beans. What year did Mr. Hutchinson's apple dry house burn down?
4. When was the Village of Pittsford incorporated?
5. Name one of three people who helped rejuvenate Pittsford's historic waterfront.
6. What decade were the barns, sheds and homes at the west end of Schoen Place built?
7. Find a sign with a scannable code and learn about Schoen Place and the Coal Tower. What was Schoen Place originally called?
8. What is the speed limit on Schoen Place?
9. When was the Pittsford Flour Mill built?
10. Find a sign with a scannable code to learn more about the Wharf. How deep was the canal when it was first built?
11. How many bollards (large wooden, metal-topped posts) are there along the waterfront of Schoen Place?
12. How many "walk your bike" signs are there are on the walkway?
13. Where can you find the name Ted Collins?
14. Find a sign with a scannable code and learn about the Tow Path. Before there were motors, how were barges and boats pulled along the canal?
15. Where do you find a man pressing wine?
