What does it mean to be a local, independent, community bank?

It means that our focus is on our customers and communities, and that our commitment is to remain flexible, nimble, and responsive in times of need.

At Canandaigua National Bank & Trust, we're here to provide financial education and advice when you *want* it, along with care and compassion when you *need* it. And, as always, we continue to bring you the services and solutions to meet your needs now and for the future.

Today, and every day, CNB is investing in you, your business, and our community.
