

Total Eclipse 2024

PITTSFORD, NEW YORK

Science, Fun & Creativity!

FEBRUARY THROUGH APRIL

Pittsford sits squarely in the path of the total solar eclipse that will occur on April 8, 2024. The Town is celebrating with programs and activities highlighting the science behind the event and the wonder of learning about the natural world! We have a variety of eclipse-themed programs and activities underway now through April 8, offered by our Recreation Department and Pittsford Community Library staff teams.

Join us for:

Trivia Night

Eclipse-themed crafts and activities for kids and teens

NASA Solar System Ambassador visit

Story Stroll
