NOTES FROM June 27, 2011 MEETING

Team members approved the 6/27/11 notes with one correction.

PITTSFORD COMMUNITY COLLABORATION TASK FORCE

- The team met with Christopher Rodi and Margaret Covney, who had indicated interest in chairing the Community Collaboration Task Force

- The team discussed the role of the Town, School and Village representatives that are selected from each of the boards to be on this committee. The team agreed that the representatives will serve only as exofficio members of the committee, offering their support, but would not be a voting influence or part of the consensus of the committee. The team also discussed whether one of the representatives should be a member of the Leadership Team, as a communication tool to both committees. After some discussion, the team concurred that a selected representative could also be a member of the Leadership Team, but would not be a considered a representative serving on behalf of the Leadership Team. The following persons were selected as representatives:

Village Representatives:	Trip Pierson and Lorie Boehlert, Village Trustees
School Representatives:	Michael Pero, Asst. Superintendent of Human Resources and Jeff Beardsley, Dir. of Operations
Town Representatives:	Sandy Zutes, Deputy Supervisor and Paul Schenkel, Commissioner of Public Works

- The members also determined that Linda Dillon will contact both Margaret Covney and Christopher Rodi, who the team selected to be the Chair and the Vice-Chair, respectively, of the PCC Task Force. Linda will also arrange for the Supervisor, Mayor and Superintendent to meet with both Margaret and Chris, together, prior to the first meeting of the entire committee, to discuss the charge of the committee and to assist them in the initial steps in moving forward with the committee.
