Full payments without interest will be accepted through Thursday, October 1. First installments are due by Tuesday, September 15. Please Note: We strongly discourage paying your tax bill via Electronic Checking/Online bill pay system through your bank. If paying your bill with an online bill pay system, please be aware that your bank still mails us a paper check without a USPS postmark and it may take as long as two weeks to reach our office. Therefore, we cannot consider your payment received until we physically receive the payment in our office. **We do not recommend sending payment in this manner.**

In-person payments may be arranged, if absolutely necessary, **by appointment only**.
